

## 4.2 Catalogue update service

Updated catalogue pages are promptly made available as PDF documents for downloading on our homepage [www.eduard-hueck.de](http://www.eduard-hueck.de).

Corrected pages or series extensions can be downloaded and printed there in regular intervals. A continuous list records the changes made to every profile series.

As of now, the linked list of updated catalogue pages can be found at

<http://www.eduard-hueck.com/hueck-com-en/catalogue-updates-1806.html>

Moreover you will find our Volato M catalogue at

<http://www.eduard-hueck.com/hueck-com-en/volato-m-1948.html>
