

New packing units - Storage shutdown of anodising profiles series 1.0

Dear Sir or Madam,

in the course of sales units' harmonisation for accessories, solely the attached new packing units will be launched in order to come closer to our customer's actual requirements effective from

01st October, 2009.

At the same time we would like to inform you about our decision to remove the profiles of the series 1.0 with anodised surfaces from our general stock. Therefore we kindly ask you to bear in mind the longer lead times for anodised profiles in the series 1.0 - should you decide to place orders.

We thank you in advance for your understanding and look forward to continuing our reliable partnership and remain

with kindest regards

Eduard Hueck GmbH & Co. KG

i. V. Dieter Claßen
- Manager of Logistics -
