

Rebate gear for side-hung / turn-tilt sash,  
suitable for sash profile B 542 221

Processing drawing: Register 100

Window handles, suitable for rebate gears

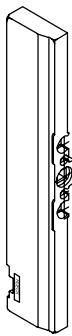

Z 993 450 and Z 909 290

for side-hung and turn-tilt sash fittings

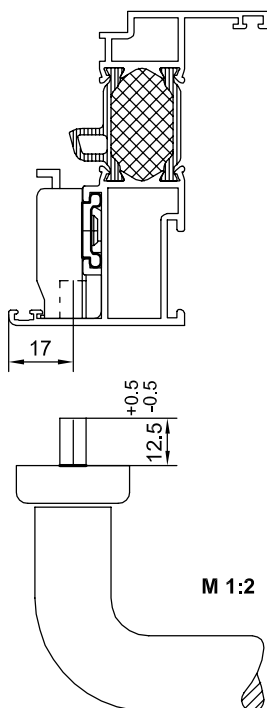

### Z 993 450

Rebate gear,  
including safety device to  
prevent false operation,  
suitable for turn/tilt sashes,  
designed for handles with  
7 mm square pin and rosette  
with 43 mm hole pitch

### Z 909 290

Rebate gear,  
as above but without safety  
device to prevent  
false operation,  
suitable for side-hung sashes

### Attention!

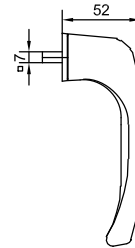

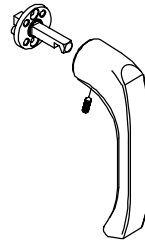

If other equipment is used,  
make sure it is fitted with a catch.  
Shorten square pin correspondingly.
